

NHFOA  
VARSITY POST-GAME PROCEDURES

- designated official collects all jackets from sideline near exit (outside team box)
- FULL crew gathers on edge of field as GROUP
- crew will check for police or administrative escort
- with or without escort crew JOGS off field to changing room
- crew immediately enters changing room (game administration must have doors open)
- crew avoids any interaction with coaches, players, media (importance of entry doors to be unlocked upon arrival)
- \* prior to leaving locker room all crew members are to participate in game review (verbal) and complete a written game report to be completed and forwarded by the Referee to the Commissioner (attachment)
- \* ejections are to be reported to the Commissioner by the CALLING official on day of occurrence and call from Referee
- \* crew members are required to change out of uniform and depart site in Dress Code required attire (exceptions: schools designated by Commissioner to have inadequate or unacceptable changing facilities)
- \* effort should be made for crew to depart from site as a group
- \* individual crew members are to make note of each crew member performance, as mid-season and end-season ratings of fellow officials are required
